

## An 8 week group for those bereaved by suicide

### Commences:

To be announced.  
A team member will contact you regarding dates.

### Concludes:

8 weeks from start date

### Purpose

We recognise that those bereaved by suicide have many unique experiences and issues.

This group provides an opportunity to assist with this experience in an understanding and confidential environment.

This group is appropriate for people who are between three and eighteen months bereaved.

# Support After Suicide

## Jesuit Social Services

### Potential benefits

Participants will have the opportunity to:

- Receive information about suicide and the experience of suicide bereavement
- Gain a greater understanding of the unique issues and experiences associated with bereavement following suicide
- Spend time and communicate with others who have also been bereaved as a result of suicide
- Develop resources to assist with the experience.

**The group will be led by experienced and qualified counsellors from the Support After Suicide team.**

**The group is free of charge.**

### Your friends and family

There will also be an opportunity during the course of the group for your friends and family, who are supporting you with your experience, to attend an **Information Session** about suicide and the experience of bereavement after a suicide.
